3. LOCATION, PROPERTY DESCRIPTION, PLATS AND PLANS.

The Condominium subject to this Declaration and the Act is located in Land Lot 112, of the 17th District of Fulton County, Georgia, being more particularly described in Exhibit "A" attached to this

Declaration, which exhibit is specifically incorporated herein by this reference. The Survey and Floor Plans are incorporated herein by reference as fully as if the same were set forth in their entirety herein.

4. UNITS AND BOUNDARIES.

The Condominium is divided into sixteen (16) separate Units, Common Elements and the Limited Common Elements. Each Unit consists of a dwelling and its appurtenant percentage of undivided interest in the Common Elements. Each Unit shall be conveyed as a separately designated and legally described freehold estate subject to the Act and the Condominium Instruments. The Units are depicted on the Survey and the Floor Plans. Each Unit includes that part of the structure which lies within the following boundaries:

(a) Vertical Boundaries. The vertical boundaries of any Unit shall extend to and include the finished interior surface of the walls of such Unit which separate that Unit from the other Units and Common Elements and also extends to include the balcony areas of each Unit.

(b) Horizontal Boundaries. The horizontal boundaries of any Unit shall extend to and include the finished horizontal surface of the floor and ceiling of such Unit.

(c) Additional Information to Interpret Unit Boundaries. Entry doors and exterior glass surfaces, including, but not limited to, windows and glass doors, serving the Unit shall be included within the boundaries of the Unit. Heating and air conditioning systems serving a single Unit (including any part of any such system located outside the boundaries of the Unit), all duct work for heating and air conditioning systems and appliances and plumbing fixtures within a Unit shall be part of the Unit.

If any chutes, flues, ducts, conduits, wires, pipes or other apparatus lies partially within and partially outside of the designated boundaries of the Unit, any portion thereof which serve only that Unit shall be deemed to be a part of that Unit, while any portions thereof which serve more than one Unit or any portion of the Common Elements shall be deemed a part of the Common Elements.

In interpreting deeds and Floor Plans, the existing physical boundaries of a Unit as originally constructed or of a Unit reconstructed in substantial accordance with the original Floor Plans thereof shall be conclusively presumed to be its boundaries rather than the metes and bounds expressed in any deed or Floor Plan, regardless of settling or lateral movement of the building in which the Unit was located, and regardless of minor variance between the boundaries shown on the Floor Plans or in a deed and those of the Unit.

The ownership of each Unit shall include, and there shall pass with each Unit, whether or not separately described in the conveyance thereof, that percentage of the right, title and interest in the Common Elements attributable to such Unit, together with membership in the Association and an undivided interest in the funds and assets held by the Association.

5. COMMON ELEMENTS.

The Common Elements consists of all portions of the Condominium not located within the boundaries of a Unit.

Ownership of the Common Elements shall be by the Unit Owners as tenants-in-common. The percentage of undivided interest in and to the Common Elements attributable to each Unit is set forth on Exhibit "B." Such percentages of undivided interest may be altered only by the consent of all Owners and Mortgagees (or such lesser number of Owners and Mortgagees as may hereafter be prescribed by the Act) expressed in a duly recorded amendment to this Declaration.

The Common Elements shall remain undivided, and no Owner nor any other person shall bring any action for partition or division of the whole or any part thereof except as provided in the Act. Except as provided for Limited Common Elements or as otherwise provided herein, each Owner and the Association may use the Common Elements for the purposes for which they are intended, but no such use shall enter or encroach upon the lawful rights of the other Owners.

6. LIMITED COMMON ELEMENTS.

(a) The Limited Common Elements located on the Condominium and the Unit(s) to which they are assigned are:

(i) any doorstep, landing step, stairway, or any other apparatus serving more than one Unit, as shown on the Floor Plans, are assigned as Limited Common Elements to the Units which they serve;

(ii) the portion of the Common Elements on which there is located any portion of the air conditioning or heating system exclusively serving a particular Unit or Units is assigned as Limited Common Element to the Unit or Units so served;

(iii) any utility meter which serves only one Unit is assigned as a Limited Common Element to the Unit so served;

(iv) each Unit is assigned one (1) or more parking spaces which are assigned on Exhibit "C" attached hereto and incorporated herein by this reference and shown on the Floor Plans as a Limited Common Element assigned to the Unit. Parking spaces may be initially assigned or reassigned by amendment to this Declaration as provided in Subparagraphs (b) and (c) below;

(v) each Unit is assigned one (1) or more storage spaces which are assigned on Exhibit "D" attached hereto and incorporated herein by this reference and shown on the Floor Plans as a Limited Common Element, assigned to the Unit. Storage spaces may be initially assigned or reassigned by amendment to this Declaration as provided in subparagraphs (b) and (c) below; and

(vi) each Unit is assigned one (1) mailbox or mail slot.

(b) The Association's Board of Directors, without need for a membership vote, is hereby authorized to assign and to reassign Limited Common Elements, provided that any such assignment or reassignment shall be made in accordance with the provisions of Section 44-3-82(b) and (c) of the Act. A Common Element not previously assigned as a Limited Common Element may be so assigned and a Limited Common Element may be reassigned by the Board, without the need for a vote of the Association, upon written application to the Association by the Unit Owner or Owners for whose exclusive use such Common Element is requested or whose use of the Limited Common Element previously assigned is directly affected. Upon such application, the Association shall prepare and execute an amendment to the Declaration assigning the Common Element as a Limited Common Element or reassigning the Limited Common Element, which amendment shall be executed by the Owner or Owners making such application. Such amendment shall be delivered and become effective as provided in Section 44-3-82 of the Act.

7. ASSOCIATION MEMBERSHIP AND ALLOCATION OF VOTES.

All Unit Owners, by virtue of their ownership of a fee or undivided fee interest in any Unit in the Condominium, excluding Persons holding such interest under a Mortgage, are members of the Muscogee

Condominium Association, Inc., and, except as otherwise provided herein or in the Bylaws, shall be entitled to vote on all matters upon which members of the Association are entitled to vote pursuant to the Declaration and in accordance with the Bylaws. Subject to the provisions of the Condominium Instruments, each Owner or Owners of a Unit shall be entitled to that number of votes in the Association equivalent to the fraction of the undivided interest in the Common Elements allocated to that Unit as more particularly set forth on Exhibit "B" attached hereto and incorporated herein by reference.

8. ALLOCATION OF LIABILITY FOR COMMON EXPENSES.

(a) Except as provided below, or elsewhere in the Act or Condominium Instruments, the amount of all Common Expenses shall be assessed against all the Units in accordance with the percentage of undivided interest in the Common Elements appurtenant to the Unit as set forth on Exhibit "B" attached hereto and incorporated herein by reference.

(b) The Board of Directors shall have the power to assess specially pursuant to this Paragraph and to Section 44-3-80(b) of the Act as, in its discretion, it shall deem appropriate. Failure of the Board of Directors to exercise its authority under this Paragraph shall not be grounds for any action against the Association or the Board of Directors and shall not constitute a waiver of the Board's right to exercise its authority under this Paragraph in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Paragraph.

(i) Any Common Expenses benefiting less than all of the Units or significantly disproportionately benefiting all Units may be specially assessed equitably among all of the Units which are benefited according to the benefit received. Except for expenses for maintenance, repair or replacement of Limited Common Elements, which may be specially assessed, expenses incurred for the maintenance, repair, or replacement of the Area of Common Responsibility, shall not be specially assessed.

(ii) Any Common Expenses occasioned by the conduct of less than all of those entitled to occupy all of the Units or by the Occupant(s), licensees or invitees of any such Unit or Units may be specially assessed against such Unit or Units.

(c) The Condominium currently is served by a common water meter. The Board shall have the authority, but shall have no obligation, to install submeters and assess individual Unit utilities usage charges, including a right to add a charge for the cost of overhead for such submetering, against individual Units and/or to install separate utility meters for the Units.

9. ASSOCIATION RIGHTS AND RESTRICTIONS.

In addition to and not in limitation of all other rights it may have, the Association, acting through its Board of Directors, shall have the right and authority:

(a) to enter into Units for maintenance, emergency, security, or safety purposes, which right may be exercised by the Association's Board of Directors, officers, agents, employees, managers, and all police officers, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall be only during reasonable hours and after reasonable notice to the Owner or Occupant of the Unit. For the purposes of this section, a water or other utility leak, fire, strong foul odor, obvious insect infestation or sounds indicating that a person or animal might be injured or sick and require immediate medical attention shall be considered emergencies justifying immediate entry into a Unit. The failure to exercise the rights herein or to exercise said rights in

a timely manner shall not create liability to any of the above-referenced parties, it being agreed that no duty to enter a Unit shall exist;

(b) to make and to enforce reasonable rules and regulations governing the use of the Condominium, including the Units, Limited Common Elements, and Common Elements;

(c) to enforce use restrictions, other Declaration and Bylaws provisions, and rules and regulations by the imposition of reasonable monetary fines and suspension of use and voting privileges as provided in Section 44-3-76 of the Act, as amended;

(d) to grant permits, licenses, utility easements, and other easements;

(e) to control, manage, operate, maintain, improve and replace all portions of the Area of Common Responsibility;

(f) to deal with the Condominium in the event of damage or destruction as a result of casualty loss, condemnation or eminent domain, in accordance with the provisions of the Act and this Declaration;

(g) to acquire, hold, and dispose of tangible and intangible personal property and real property;

(h) at the sole expense of the Association, without need for a membership vote, and without the consent of any affected Unit Owner, to relocate any portion of the air conditioning, heating, plumbing, ventilating, exhaust or electrical system serving a particular Unit, provided that after such relocation, the system serving the Unit functions at least as well and at no greater cost to the Unit Owner as existed prior to the relocation; and

(i) to establish a construction deposit of Two Thousand Five Hundred and No/100 Dollars (\$2,500.00) or such other reasonable amount as determined by the Board of Directors to be paid by all Owners making modifications, alterations or additions to their Units in order to protect the Condominium against damage due to the transportation and use of construction materials in the Condominium. Costs for repair of such damage may be deductible from the construction deposit and any additional expenses may be specifically assessed against the Unit under Paragraph 8(b)(ii) above.

10. ASSESSMENTS.

(a) Purpose of Assessment. The Association shall have the power to levy assessments as provided herein and in the Act. The assessments for Common Expenses provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners and Occupants of Units in the Condominium as may be more specifically authorized from time to time by the Board.

(b) Creation of the Lien and Personal Obligation For Assessments. Each Owner of any Unit, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (i) annual assessments or charges; (ii) special assessments, such assessments to be established and collected as hereinafter provided; (iii) specific assessments against any particular Unit which are established pursuant to the terms of this Declaration, including but not limited to reasonable fines imposed in accordance with the terms of this Declaration; and (iv) if necessary, the costs of collection, including court costs, the expenses of sale of a Unit, any expenses required for the protection and preservation of the Unit, and reasonable attorney's fees actually incurred.

All such assessments, together with charges, interest, costs, and reasonable attorney's fees actually incurred, and if the Board so elects, rents, in the maximum amount permitted by the Act, shall be a charge on the Unit and shall be a continuing lien upon the Unit against which each assessment is made. Such amounts shall also be the personal obligation of the Person who was the Owner of such Unit at the time when the assessment fell due. Each Owner and his or her grantee shall be jointly and severally liable for all assessments and charges due and payable at the time of any conveyance.

Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors; unless otherwise provided, the annual assessments shall be paid in equal monthly installments due on the first day of each calendar month. No Owner may exempt himself or herself from liability for or otherwise withhold payment of assessments for any reason whatsoever, including, but not limited to, nonuse of the Common Elements, the Association's failure to perform its obligations required hereunder, or inconvenience or discomfort arising from the Association's performance of its duties. The lien provided for herein shall have priority as provided in the Act.

(c) Delinquent Assessments. All assessments and related charges not paid on or before the due date shall be delinquent, and the Owner shall be in default.

(i) If any monthly installment of annual assessments or any part thereof is not paid in full by the twentieth (20th) day of the month or if any other charge is not paid within ten (10) days of the due date, a late charge equal to the greater of ten (\$10.00) dollars or ten (10%) percent of the amount not paid, or such higher amounts as may be authorized by the Act, may be imposed without further notice or warning to the delinquent Owner and interest at the rate of ten (10%) percent per annum or such higher rate as may be permitted by the Act shall accrue from the due date.

(ii) If part payment of assessments and related charges is made, the amount received may be applied first to costs and attorney's fees, then to late charges, then to interest, then to delinquent assessments, and then to current assessments.

(iii) If assessments, fines or other charges or any part thereof due from an Owner remain delinquent and unpaid for a period greater than fifteen (15) days from the date due, a notice of delinquency may be given to that Owner stating that if the assessment, fine or charge remains delinquent for more than ten (10) days from the date of the notice of delinquency, the Board of Directors may accelerate and declare immediately due all of that Owner's unpaid installments of the annual assessment and of any special assessment. If an Owner fails to pay all assessments and related charges currently due within ten (10) days of the date of the notice of delinquency, the Board of Directors may then accelerate and declare immediately due all installments of the annual assessment and of any special assessment, without any further notice being given to the delinquent Owner. Upon acceleration, that Owner shall thereby lose the privilege of paying the annual assessment in monthly installments for that fiscal year.

(iv) If assessments and other charges or any part thereof remain unpaid more than thirty (30) days after the assessment payments first become delinquent, the Association, acting through the Board of Directors, may institute suit to collect all amounts due pursuant to the provisions of the Declaration, the Bylaws, the Act and Georgia law and suspend the Owner's and/or Occupant's right to vote and the right to use the Common Elements; provided, however, the Board may not limit ingress or egress. Enforcement under this subparagraph is not dependent upon or related to other restrictions and/or other actions.

(v) If any assessment or other charge is delinquent for thirty (30) days or more, in addition to all other rights provided in the Act and herein, the Association shall have the right upon

ten (10) days written notice, and in compliance with any requirements set forth in the Act, to suspend any utility or service, the cost of which are an Association Common Expense, including, but not limited to, water, electricity, heat, air conditioning and cable television, to that Unit until such time as the delinquent assessments and all costs permitted under this Paragraph, including reasonable attorney's fees, are paid in full. Any costs incurred by the Association in discontinuing and/or reconnecting any utility service, including reasonable attorney's fees, shall be an assessment against the Unit.

Notwithstanding the above, the Board only may suspend any utility or service paid for as a Common Expense after a final judgment or judgments in excess of a total of \$750.00, or such other amount as required by the Act, are obtained in favor of the Association from a court of competent jurisdiction, the Association provides the notice required to be provided by the institutional provider of such service prior to suspension of such service, and the Association complies with any other requirements of Georgia law. A Unit Owner whose utility service has been suspended shall not be entitled to use any such services paid for as a common expense from any source and any such unauthorized use shall be considered a theft of services under O.C.G.A. § 16-8-6. The utility services shall not be required to be restored until all judgments are paid in full, at which time the Association shall direct the utility provider to restore the service.

(d) Computation of Operating Budget and Assessment. It shall be the duty of the Board at least twenty-one (21) days prior to the beginning of the Association's fiscal year to prepare a budget covering the estimated costs of operating the Condominium during the coming year. The Board shall cause the budget and notice of the assessments to be levied against each Unit for the following year to be delivered to each member at least thirty (30) days prior to the Association's annual meeting. The budget and the assessment shall become effective unless disapproved at a duly called and constituted annual meeting of the Association by a vote of a majority of the total Association vote; provided, however, if a quorum is not obtained at the annual meeting, the budget shall become effective even though a vote to disapprove the budget could not be called at this meeting.

Notwithstanding the foregoing, in the event that the membership disapproves the proposed budget or the Board fails for any reason so to determine the budget for the succeeding year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the current year shall continue for the succeeding year. In such case, the Board may propose a new budget at any time during the year at a special meeting of the Association. The proposed budget and assessment shall be delivered to the members at least thirty (30) days prior to the proposed effective date thereof and at least seven (7) days prior to the special meeting. The approval procedure set forth above for budgets considered at annual meetings shall also apply to budgets considered at special meetings.

Enforcement under this subparagraph is not dependent upon or related to other restrictions and/or other actions.

(e) Special Assessments. In addition to the annual assessment provided for in subparagraph (b) above, the Board may, at any time, and in addition to any other rights it may have, levy a special assessment against all Owners, notice of which shall be sent to all Owners. Any special assessment (except as provided in Paragraph 8(b) regarding the power to assess specially pursuant to Section 44-3-80(b) of the Act and Paragraph 12(b) herein, regarding repair or reconstruction of casualty damage to or destruction of all or part of the Condominium) which would cause the average total of special assessments levied in one fiscal year to exceed two hundred (\$200.00) dollars per Unit, shall be approved by a majority of the total Association vote prior to becoming effective.

(f) Capital Budget and Contribution. The Board of Directors shall annually prepare a capital budget which shall take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost. The Board shall set the required capital contribution, if any, in an amount sufficient to permit meeting the projected capital needs of the Association, as shown on the capital budget, with respect both to amount and timing by equal annual assessments over the period of the budget. The annual capital contribution required, if any, shall be fixed by the Board and included within the budget and assessment as provided in subparagraph (d) of this Paragraph. A copy of the capital budget shall be distributed to each member in the same manner as the operating budget.

(g) Statement of Account. Any Owner, Mortgagee, or a Person having executed a contract for the purchase of a Unit, or a lender considering a loan to be secured by a Unit, shall be entitled, upon written request, to a statement from the Association setting forth the amount of assessments due and unpaid, including any late charges, interest, fines, or other charges against a Unit. The Association shall respond in writing within five (5) days of receipt of the request for a statement; provided, however, the Association may require the payment of a fee, not exceeding ten (\$10.00) dollars, or such higher amount as may be authorized by the Act, as a prerequisite to the issuance of such a statement. Such written statement shall be binding on the Association as to the amount of assessments due on the Unit as of the date specified therein.

(h) Surplus Funds and Common Profits. Pursuant to Section 44-3-108 of the Act, common profits from whatever source shall be applied to the payment of Common Expenses. Any surplus funds remaining after the application of such common profits to the payment of Common Expenses may be, at the sole discretion of the Board of Directors, (i) distributed to the Owners or credited to the next assessment chargeable to the Owners in proportion to the liability for Common Expenses attributable to each Unit or (ii) added to the Association's capital reserve account as set forth in (f) above.

11. INSURANCE.

The Association shall obtain and maintain at all times, as a Common Expense, insurance as required by Section 44-3-107 of the Act, as amended, and as required herein. The Association's insurance policy shall cover any of the following types of property contained within a Unit, regardless of ownership: (a) fixtures, improvements and alterations that are a part of the building or structure; and (b) appliances, such as those used for refrigerating, ventilating, cooking, dishwashing, laundering, security or housekeeping. In the alternative, the Association's insurance policy may exclude improvements and betterments made by the Unit Owner and may exclude the finished surfaces of perimeter and partition walls, floors, and ceilings within the Units (i.e., paint, wallpaper, paneling, other wall covering, tile, carpet and any floor covering; provided, however, floor covering does not mean unfinished hardwood or unfinished parquet flooring).

All insurance purchased by the Association pursuant to this Paragraph shall run to the benefit of the Association, the Board of Directors, officers, all agents and employees of the Association, the Unit Owners, and their respective Mortgagees, and all other persons entitled to occupy any Unit, as their interests may appear. The Association's insurance policy may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance equals at least the replacement cost of the insured property.

The Board of Directors shall make available for review by Owners a copy of the Association's insurance policy to allow Owners to assess their personal insurance needs and each Owner shall have the right to obtain additional coverage at his or her own expense.

All insurance coverage for the Association shall be written in the name of the Association as trustee for itself, each of the Owners, and the Mortgagees of Owners, if any. It shall be the duty of the Board of Directors at least every two (2) years to conduct an insurance review to determine if the policy in force is

adequate to meet the needs of the Association and to satisfy the requirements of Section 44-3-107 of the Act, as amended. Such responsibility may be performed, and shall be deemed reasonably performed, by the Board requesting the Association's insurance agent to verify that insurance policies in existence meet the needs of the Association and satisfy the requirements of Section 44-3-107 of the Act, as amended.

(a) The Board of Directors shall utilize reasonable efforts to secure a blanket hazard insurance policy providing "all risk" coverage in an amount equal to full replacement cost, before application of deductibles, of all improvements located on the Condominium. If "all risk" coverage is not reasonably available at reasonable cost, the Board shall obtain, at a minimum, fire and extended coverage, including coverage for vandalism and malicious mischief, in like amounts. The Board shall use reasonable efforts to obtain policies that will provide the following:

(i) the insurer waives its rights of subrogation of any claims against directors, officers, the managing agent, the individual Owners, Occupants, and their respective household members;

(ii) any "other insurance" clause contained in the master policy shall expressly exclude individual Unit Owners' policies from its operation;

(iii) until the expiration of thirty (30) days after the insurer gives notice in writing to the Mortgagee of any Unit, the Mortgagee's insurance coverage will not be affected or jeopardized by any act or conduct of the Owner of such Unit, the other Unit Owners, the Board of Directors, or any of their agents, employees, or household members, nor be canceled for nonpayment of premiums;

(iv) the master policy may not be canceled, substantially modified, or subjected to nonrenewal without at least thirty (30) days prior notice in writing to the Board of Directors and all Mortgagees of Units;

(v) an agreed value endorsement and an inflation guard endorsement; and

(vi) the deductible amount per occurrence for coverage required by the Act shall not exceed one thousand (\$1,000.00) dollars.

(b) All policies of insurance shall be written with a company licensed to do business in the State of Georgia. The company shall provide insurance certificates to each Owner and each Mortgagee upon request.

(c) Exclusive authority to adjust losses under policies obtained by the Association shall be vested in the Association's Board of Directors; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

(d) In no event shall the insurance coverage obtained and maintained by the Association hereunder be brought into contribution with insurance purchased by individual Unit Owners or their Mortgagees. Each Unit Owner shall notify the Board of Directors of all structural improvements made by the Unit Owner to his or her Unit. Any Unit Owner who obtains an individual insurance policy covering any portion of the Condominium, other than improvements and betterments made by such Owner at his or her expense and personal property belonging to such Owner, shall file a copy of such individual policy or policies with the Board of Directors within thirty (30) days after the purchase of such insurance. Such Owner shall also promptly notify, in writing, the Board of Directors in the event such policy is canceled.

(e) In addition to the insurance required hereinabove, the Board shall obtain as a Common Expense:

(i) worker's compensation insurance if and to the extent necessary to meet the requirements of law;

(ii) public liability insurance in amounts no less than required by Section 44-3-107 of the Act, as amended, and officers' and directors' liability insurance in such amounts as the Board may determine. The public liability insurance shall contain a cross liability endorsement;

(iii) fidelity bonds, if reasonably available, covering officers, directors, employees, and other persons who handle or are responsible for handling Association funds. Such bonds, if reasonably available, shall be in an amount consistent with the best business judgment of the Board of Directors, but in no event less than three (3) month's assessments plus a reasonable amount to cover all or a reasonable portion of reserve funds in the custody of the Association at any time during the term of the bond; provided, however, fidelity coverage herein required may be reduced based on the implementation of financial controls which take one or more of the following forms: (a) the Association or management company, if any, maintains a separate bank account for the working account and the reserve account, each with appropriate access controls and the bank in which funds are deposited sends copies of the monthly bank statements directly to the Association; (b) the management company, if any, maintains separate records and bank accounts for each association that uses its services and the management company does not have the authority to draw checks on, or to transfer funds from, the Association's reserve account; or (c) two members of the Board of Directors must sign any checks written on the reserve account; and

(iv) such other insurance as the Board of Directors may determine to be necessary.

(f) Insurance carried by the Association as a Common Expense shall not be required to include any part of a Unit which is not depicted on the original Survey and Floor Plans or any part of a Unit that was included, nor shall the Association include public liability insurance for individual Owners for liability arising within the Unit.

(g) Nothing contained herein gives any Owner or other party a priority over any rights of first Mortgagees as to distribution of insurance proceeds. Any insurance proceeds payable to the Owner of a Unit on which there is a Mortgagee endorsement shall be disbursed jointly to such Unit Owner and the Mortgagee. This is a covenant for the benefit of any such Mortgagee and may be enforced by any such Mortgagee.

(h) Every Unit Owner shall be obligated to obtain and maintain at all times insurance covering those portions of his or her Unit to the extent not insured by policies maintained by the Association. Upon request by the Board, the Unit Owner shall furnish a copy of such insurance policy or policies to the Association. In the event that any such Unit Owner fails to obtain insurance as required by this subparagraph, the Association may purchase such insurance on behalf of the Unit Owner and assess the cost thereof to the Unit Owner, to be collected in the manner provided for collection of assessments under Paragraph 10 hereof.

(i) Insurance Deductibles. In the event of an insured loss, any required deductible shall be considered a maintenance expense to be paid by the person or persons who would be responsible for such loss in the absence of insurance. If the loss affects more than one Unit or a Unit and the Common Elements, the cost of the deductible may be apportioned equitably by the Board among the parties suffering loss in proportion to each affected owner's portion of the total cost of repair. Notwithstanding this, if the insurance policy provides that the deductible will apply to each Unit separately or to each occurrence, each Unit

Owner shall be responsible for paying the deductible pertaining to his or her Unit, if any. If any Owner or Owners fail to pay the deductible when required under this subparagraph, then the Association may pay the deductible and assess the cost to the Owner or Owners pursuant to Paragraph 8 of this Declaration; provided, however, where the deductible is for insurance required under the Act, no Owner shall be assigned more than one thousand (\$1,000.00) dollars, or such higher amount as authorized by the Act, as the cost of the deductible for any one occurrence.

12. REPAIR AND RECONSTRUCTION.

In the event of damage to or destruction of all or any part of the Condominium as a result of fire or other casualty, unless eighty (80%) percent of the Unit Owners, including the Owner or Owners of any damaged Unit or Units, vote not to proceed with the reconstruction and repair of the structure, the Board of Directors or its duly authorized agent shall arrange for and supervise the prompt repair and restoration of the structure. In the event of substantial damage or destruction, each holder of a first Mortgage shall be entitled to written notice of the damage, and nothing in these documents shall be construed to afford a priority to any Unit Owner with respect to the distribution of proceeds to any such Unit.

(a) Cost Estimates. Immediately after a fire or other casualty causing damage to the Condominium, the Board of Directors shall obtain reliable and detailed estimates of the cost of repairing and restoring the structures (including any damaged Unit) to substantially the condition which existed before such casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. Such costs may also include professional fees and premiums for such bonds as the Board of Directors determines to be necessary.

(b) Source and Allocation of Proceeds. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair, as determined by the Board of Directors, or if at any time during the reconstruction and repair or upon completion of reconstruction and repair the funds for the payment of the costs thereof are insufficient, the additional costs shall be assessed against the Owners of the Unit(s) damaged in proportion to the damage to the Units or against all Owners, in the case of insufficient funds to cover damage to the Common Elements. This assessment shall not be considered a special assessment as discussed in Paragraph 10(e). If after repair and reconstruction is completed there is a surplus of funds, such funds shall be common funds of the Association to be used as directed by the Board of Directors.

(c) Floor Plans and Specifications. Any such reconstruction or repair shall be substantially in accordance with the Floor Plans and specifications under which the Condominium was originally constructed, except where changes are necessary to comply with current applicable building codes or where improvements not in accordance with the original Floor Plans and specifications are approved by the Board of Directors. To the extent insurance proceeds are available, the Association may reconstruct or repair Owner improvements damaged as a result of fire or other casualty.

(d) Encroachments. Encroachments upon or in favor of Units which may be created as a result of such reconstruction or repair shall not constitute a claim or basis for any proceeding or action by the Unit Owner upon whose property such encroachment exists, provided that such reconstruction was substantially in accordance with the architectural plans under which the Condominium was originally constructed. Such encroachments shall be allowed to continue in existence for so long as the reconstructed building shall stand.

(e) Construction Fund. The net proceeds of the insurance collected on account of a casualty and the funds collected by the Association from assessments against Unit Owners on account of such casualty shall constitute a construction fund which shall be disbursed in payment of the cost of

reconstruction and repair in the manner set forth in this Paragraph to be disbursed by the Association in appropriate progress payments to such contractor(s), supplier(s), and personnel performing the work or supplying materials or services for the repair and reconstruction of the buildings as are designated by the Board of Directors.

13. ARCHITECTURAL CONTROLS.

(a) Architectural Control Committee. The Architectural Control Committee ("ACC") shall be comprised of the members of the Board of Directors. No Owner, Occupant, or any other person may make any encroachment onto the Common Elements or Limited Common Elements, or make any exterior change, alteration, or construction (including painting and landscaping), nor erect, place or post any object, sign, clothesline, speaker, playground equipment, light, fountain, flag, or thing on the exterior or roof of the buildings, in any windows (except window treatments as provided herein), on any Limited Common Elements, or on any other Common Elements, without first obtaining the written approval of the ACC; provided, however, a mezuzah not larger than three inches (3") in width and nine inches (9") in height may be posted on the door frame of the Unit between Thanksgiving and January 15th. The standard for approval of such improvements shall include, but not be limited to, aesthetic consideration, materials to be used, harmony with the external design of the existing buildings, Units and structures, and the location in relation to surrounding structures and topography.

(b) Alteration of Units. Subject to the other provisions of this Declaration, alterations to the interiors of Units, relocation of the boundaries between adjoining Units, and subdivision of Units are subject to the following restrictions:

(i) Alterations to the Interiors of the Units. Except as provided herein, no Owner or Occupant may make any alteration within a Unit which involves connecting to Common Element pipes, lines, conduits and/or other apparatus for access to common utilities without prior written ACC approval. Except as provided herein, no Owner or Occupant shall make any interior modifications to or place an excessive load on any structural or load bearing portions of a Unit without first obtaining the prior written approval of the ACC. Such approval shall not be granted by the ACC unless the Owner has presented to the ACC a report, drawing and/or certification from a licensed structural engineer showing that compensating measures will be taken to ensure the structural integrity of the Unit and the Condominium, and that the proposed alterations to the interiors of the Unit will not damage or impair the structure of the Condominium building or the roof. The Unit Owner, at his or her sole expense, shall comply with all governmental requirements for any construction and/or renovation to be done within the Unit, including, but not limited to approvals, permits, plans, insurance, dumpster fees, and contractor license, and shall provide the ACC with a copy of any such documentation within three (3) days of the ACC's request. In the event that Unit Owner fails to provide the ACC with copies of the requested documentation within three (3) days of such request, Unit Owner shall cease and desist any and all construction and/or renovation activities until such time as such documentation is provided to the ACC; provided, however, a Unit Owner shall be permitted to conduct construction activities which are performed for the sole purpose of restoring the Unit to its original condition prior to the commencement of construction.

The Unit Owner shall further provide the ACC, at the ACC's request, advance written notification of any construction and/or renovation to be done in his/her Unit, and further release the Association from any liability arising from said activities. The Unit Owner shall be required to pay in advance a construction deposit as set forth in Paragraph 9(i) above to protect the Condominium building and Common Elements against damage. Any and all trash, garbage and debris resulting
